Dear Corporate Partner:

We are writing to invite you to our first "Industry Day" to be held on Wednesday, April 19, 2017. The event will be held on Camp Murray, the HQs for the Washington Military Department and Emergency Management Department.

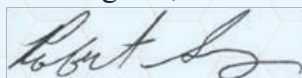

In the past, you have all attended our state conference but over the years we have been experiencing a drop off in attendance and you have not been able to connect properly to the personnel who use your products and the decision makers who make it all happen.

One of the benefits of having Industry here during the middle of the week and here at the headquarters of the Washington Military Department is the ability to reach a larger audience of military organizations and homeland emergency agencies.

In addition, there will be a reception the evening of the 19th in which you will have the opportunity to interact with the senior military leaders, our logistics-operations/ training community and the board members of the National Guard Association of Washington.

Attached is our corporate partnership registration form for 2017 and if you have any questions please contact me by e-mail at bobsweeney@ngaw.org or by telephone at 253 584-5411. We appreciate your continued participation of this Association.

Best Regards,

Robert Sweeney
Executive Director NGAW
